

COMMUNITY MEDICAL CLINIC

ON THE RECORD

Saludas' Restaurant in Five Points Hosts a Silent Auction to Benefit the Clinic

Amanda Stevenson, event coordinator, presents a check for \$2,500 to Deb McAbee, Resource Development Coordinator of the Clinic. The funds raised by this event will underwrite BEST CHOICE, a high-risk, early mammography program. It will provide breast cancer screening for women 35-39 years of age who have a family history and can meet the Clinic guidelines. The program creates an opportunity for our medical providers to talk to the patients about risk factors and to teach breast self-exam.
